MEMORANDUM FOR: Chairman, ODP MAG

FROM: Bruce T. Johnson  
Director of Data Processing

SUBJECT: MAG Role in Planning for ODP Conference

As we discussed at our last meeting several weeks ago, I am reluctant to see the continuity of MAG membership broken during the period when the MAG is so deeply involved in planning for the ODP conference in May. On the other hand, I do not wish to interfere with the orderly process by which new members (and a new chairman) are identified. To solve the problem, I have decided to extend the term of office of those who would otherwise leave the MAG in March so that they may continue to work on plans for the conference. New members should still be selected in March and for a short time we will have a slightly larger group. The carry-over members will drop out after the conference in May.
